

WSC ADVISORY #2019-040
ADULT DAY TRAINING AND EMPLOYMENT-RELATED SERVICES STAKEHOLDER MEETING

OPTIONAL ACTION REQUIRED

EFFECTIVE DATE: SEPTEMBER 11, 2019

The Agency for Persons with Disabilities (APD) will hold an online stakeholder meeting on Thursday, September 19, 2019 from 10:00AM-11:30AM.

The purpose of the meeting is to solicit stakeholder input to enhance Adult Day Training (ADT) and employment-related services that are funded by the Medicaid Developmental Disabilities Individual Budgeting (iBudget) Home and Community-Based Services Waiver. This transformation is meant to bring ADTs into compliance with the Centers for Medicare and Medicaid Services (CMS) settings requirements. The expectation is that more individuals who express an interest in work will have increased opportunities to learn the necessary skills to be successful in a competitive integrated job.

During this call, APD welcomes the Macdonald Training Center from Tampa, Florida to speak about how they are transforming their services to create opportunities for consumers to integrate into their communities. They will discuss the barriers encountered and how they have overcome them. Joining them will be consumers and family members who will share their experiences and how these opportunities have helped improve their lives.

APD invites all WSCs to participate in the discussion. Please feel free to invite anyone on your caseload who is currently receiving ADT and Supported Employment services, or who has expressed interest in seeking employment, self-advocates, family members/legal representatives, and other interested individuals to join in the discussion. Be sure to share the registration link with them.
