More Smiles

For South Florida

A partnership between the Agency for Persons with Disabilities (APD) and a community provider is going to have you smiling! Children and adults with developmental disabilities in Dade and Monroe counties who have been unable to find dentists to serve them now have a place to go. People on the waiting list for waiver services or in Tier 4 can receive cleanings, screenings, X-rays, and other specialized dental services at reduced rates or with financial assistance. These services are available from:

Bay Harbor Complete Dentistry
Jonathan M. Tuman, DDS, PA
1090 Kane Concourse (96th Street), Ste. 204
Bay Harbor Islands, FL

To make an appointment, contact your Waiver Support Coordinator or the agency's Area 11 office for a referral. And smile!
