## NORTHWEST-2 FAMILY CARE COUNCIL PROUDLY PRESENTS KATHIE SNOW, AUTHOR OF *DISABILITY IS NATURAL* FRIDAY/SATURDAY—FEBRUARY 19-20, 2016

“A green apple is more like a red apple than different, and a person with a disability is more like people without disabilities than different. One out of every five Americans has a disability. Like gender, ethnicity, and other traits, disability is a natural part of life and doesn't have to be a barrier to a person's success!”
