EDUCATION

Providers of supported employment services must meet one or more of the following requirements:

- Have a bachelor’s degree from an accredited college or university with a major in education rehabilitative science, business or a related degree.
- Have an associate’s degree or two years of college from an accredited college or university and have two years of documented direct experience with recipients with developmental disabilities.
- Have one year of college from an accredited college or university and three years of documented direct experience in working with recipients with developmental disabilities.
- Have a valid high school diploma or GED diploma.
- Four years of direct professional experience in working with recipients with developmental disabilities may substitute for college on a year for year basis.
