

**WSC ADVISORY #2016-014 DRAFT
RESOURCES FOR MEDICAID ELIGIBLE CHILDREN UNDER 21**

ACTION REQUIRED

EFFECTIVE DATE: IMMEDIATELY

Attached please find an updated (final) version of the “Potential Resources Available to Individuals Under 21 with Developmental Disabilities who are Medicaid Eligible” chart. This chart was presented at the DCF summit held in Orlando Florida on September 29th and 30th 2016. The chart was designed to assist in locating available resources to Medicaid eligible children under the age of 21 in lieu of requesting waiver funding for particular services, pursuant to Rule 59G-13.070, per page 2-13 of the Developmental Disabilities Individual Budgeting waiver Services Coverage and Limitations handbook. Services must not be authorized under the iBudget Waiver if they are available from another source. It is the WSC’s responsibility to first ensure that the same type of service offered through the waiver cannot be accessed through other funding sources, such as:

- Natural and community supports.
- Third Party Payer (e.g., private insurance).
- Medicare.
- Other Medicaid programs (e.g., Medicaid State Plan or Medicaid managed care plan).

A copy of this chart can also be located on the APD website at the following address:
