

**WSC ADVISORY #2017-019**  
**WSC IBUDGET REFRESHER TRAINING**

**ACTION REQUIRED**

EFFECTIVE DATE: *APRIL 10, 2017*

Please be advised that a required WSC iBudget Refresher Training has been posted online for Waiver Support Coordinators. This training is posted at the following link: <http://apdcares.org/waiver/support-coordination/>.

The training will take no more than 30 minutes to view. After viewing, the WSC must click the certification form link posted under the training and input their name, provider number, date, and certify completion of the training.

A PDF is posted with the training that includes the texts of the slides for those needing a transcript. However, the training presentation also includes a video from a self-advocate, that must be viewed along with the training slides.

All WSCs must complete this training and complete the online certification form by **May 31, 2017**.
