

Helping Children and Families Cope with the COVID-19 Pandemic

A guide to help children cope with the psychological effects of the COVID-19 pandemic.

This interactive guide helps children and families cope with the psychological effects of the COVID-19 Pandemic. Co-authored by *Dr. Annette La Greca*, Distinguished Professor of Psychology and Pediatrics at the University of Miami, and Scott Sevin, President of 7-Dippity, the material is designed for adults to work on together with children.
