

AGENCY FOR PERSONS WITH DISABILITIES THE RUNDOWN

MESSAGE FROM THE DIRECTOR

As we begin the new year, I want to thank our APD team members and partners across Florida for your continued dedication and collaboration. With the start of Legislative Session, this is an important time to reflect on our progress, share priorities, and strengthen the services provided throughout the state.

The work happening each day—both within APD and in communities statewide—plays a critical role in supporting individuals with developmental disabilities and their families. I appreciate your commitment, coordination, and hard work as we move into the year ahead. Thank you for all that you do, and best wishes for a productive and successful year.

HOLIDAYS AROUND THE WORLD

APD staff recently came together to celebrate our Holidays Around the World event, enjoying festive decorations, shared traditions, and time spent connecting with colleagues. The celebration was a great opportunity to pause, reflect, and recognize the hard work and dedication of our team throughout the year. Thank you to everyone who helped make the event a success and to all who participated in making it a memorable occasion.
