ADVISORY #2020-014

APD ICONNECT EXTERNAL PROVIDER INTERFACE WEBINAR

OPTIONAL ACTION

EFFECTIVE DATE: AUGUST 5, 2020

This webinar is for providers who either have their own electronic health records (EHR) system or contract with an EHR system. APD will provide information about how an external EHR system can interface with APD iConnect and what information can be transmitted from the external EHR system to APD iConnect.

Topic: APD iConnect External Provider Interface Webinar
Date: Friday, August 21, 2020
Time: 11 a.m.-12 p.m. EDT

CLICK HERE to register for the webinar on August 21. After registering, you will receive a confirmation email from customercare@gotowebinar.com containing information about joining the webinar.

This webinar is informational only. There will not be a certificate or in-service units. Click here for more information about APD iConnect. Read FAQs for providers here.
