How to Receive In-Service Credit

To receive in-service credits, each webinar participant must complete an assessment. The assessment link will be emailed to the webinar participant one hour after training has ended. The assessment must be completed by 5 p.m. on Thursday, June 15.

The scoring rubric is as follows:

- 75%-100% - 1.5 in-service hours awarded
- 0% - 74% - 0 in-service hours awarded

A Test Result Transcript will be automatically sent to the webinar participant's email address. The transcript will show the participant's test score and serve as the certificate of completion.

Additional Information
