

**PROVIDER ADVISORY #2022-020**  
***APD ICONNECT UPDATE***

**INFORMATIONAL, NO ACTION REQUIRED**

**EFFECTIVE DATE: SEPTEMBER 21, 2022**

The Agency for Persons with Disabilities (APD), upon further evaluation, has decided to discontinue its plan to implement the **Claims module** within the APD iConnect system. Several other state agencies are currently enhancing their information technology systems to improve claims processing and data collection. APD felt it was redundant to spend time and resources to duplicate this process. As a result, providers will continue to submit claims through the FMMIS system.

This decision will help expedite the implementation of APD iConnect as the system of record.
