ADVISORY #2020-017

SESSION 2: APD ICONNECT EXTERNAL PROVIDER INTERFACE WEBINAR

OPTIONAL ACTION

EFFECTIVE DATE: SEPTEMBER 4, 2020

This webinar is for providers who either have their own electronic health records (EHR) system or contract with an EHR system. APD will provide information about how an external EHR system can interface with APD iConnect and what information can be transmitted from the external EHR system to APD iConnect.

While the first session (access recording here) was a general overview of the system and timeline, Session 2 will be focused on presenting answers to questions submitted in advance by providers. Please email your questions to iconnect@apdcares.org by Wednesday, September 9. If you have already sent in questions, they will be included.

Topic: Session 2: APD iConnect External Provider Interface Webinar
Date: Friday, September 18, 2020
Time: 11 a.m.-12 p.m. EDT

CLICK HERE to register for the webinar on September 18. After registering, you will receive a confirmation email from customercare@gotowebinar.com containing information about joining the webinar.

This webinar is informational only. There will not be a certificate or in-service units. Click here for more information about APD iConnect. Read FAQs for providers here.
