

APD – Health Insurance Portability and Accountability Act (HIPAA) course.

Provider HIPAA Training Requirements

Per the iBudget Handbook, all providers are required to take the APD HIPAA annually. The twenty-two-minute course is in TRAIN Florida and it is expected that the provider reviews the course material in its entirety. APD conducts Quality Assurance reviews on all TRAIN Florida courses and can identify dates and times for course registrations and completions. Agency owners can use the TRAIN Florida Transcript to help monitor your staff APD HIPAA requirements.

How to locate the APD HIPAA Training

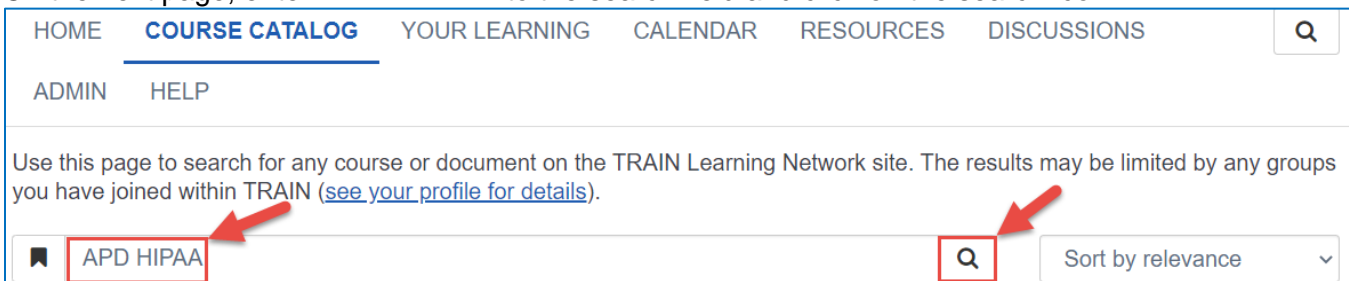

Step 1

On the Home page, locate and click on the Course Catalog link.

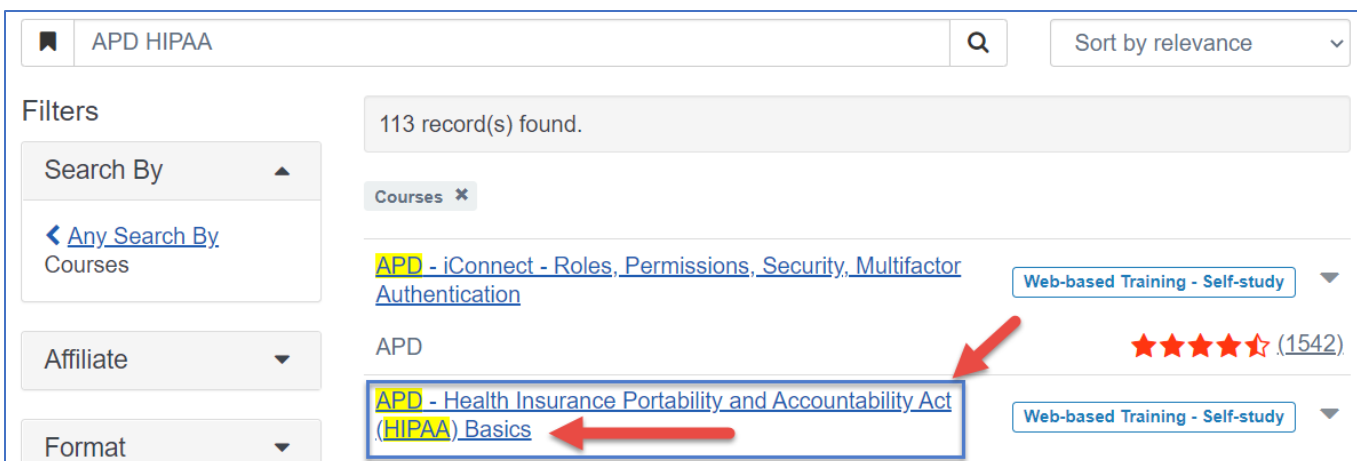

Step 2

On the next page, enter APD HIPAA into the search field and click on the search icon.

Step 3

The page will refresh, click on the APD – ATTAIN Health Insurance Portability and Accountability Act (HIPAA) link, it will take you to a page, where you can download the Learner Guide and launch (watch) the course presentation.

The Florida Agency for Persons with Disabilities (APD) requires all service providers and their employees to complete HIPAA training, annually.

This course runs **approximately 22 minutes** and meets the HIPAA training requirement that is listed in the Developmental Disabilities Individual Budgeting (iBudget) Waiver Services Coverage and Limitations Handbook. The purpose of HIPAA is to define and limit the circumstances in which an individual's protected health information
