LSD 3 AND LSD 4 MONTHLY SERVICE CODE – AUTHORIZATIONS NEEDED

November 19, 2025

Prevocational - Month						
Life Skills Development Level 4 - Prevocational - Month	T2014 UC HI	1:5	Month	\$1,022.60	\$1,009.66	\$1,060.26

The monthly rate is required for any clients who attended ADT or Prevocational services for 80 hours or more in a calendar month.

Per the Florida Medicaid Developmental Disabilities Individual Budgeting Waiver Services Provider Rate Table, the combination of Life Skill Development Services may not exceed more than 56 hours per week for any client.

For situations where the new monthly rate is required for ADT and Prevocational services, the provider must contact the Waiver Support Coordinator (WSC) who will assist in updating the service authorization in iConnect utilizing the new monthly rates with a begin date of October 1, 2025.

Services rendered from July 1, 2025, to September 30, 2025, should be billed against the old Provider Authorization (PA) number. Providers who have billed at the old rate for services rendered after September 30, 2025, will need to adjust or void these claims and rebill at the new rate if the monthly rate is required. Services rendered after September 30, 2025, should be billed against the new PA number. Discrepancies in billing will result in potential billing recoupments.

Provider documentation for services rendered from July 1, 2025, to September 30, 2025, with the old PA, do not have to be re-entered in iConnect. Provider documentation for services rendered after September 30, 2025, must be entered with the new PA to ensure accuracy of the Service Provider Documentation Report and other reports that pull the PA and units used.

Providers who have been provisioned in iConnect and have set up a Biller/Billing Agent will receive notification of any changes to their authorizations. For more information on how to set up a Biller/Billing Agent in iConnect, please review the [Job Aid for Service Authorization Update Tickler](#). Providers can retrieve updated approved authorizations from within the iConnect system.

Waiver Support Coordinators have been provided instructions for working with providers through [WSC Advisory #2025-012](#).
