NOTICE OF CORRECTION

Notice is hereby given that the following correction has been made to the proposed rule in Vol. 46 No. 227, November 20, 2020 issue of the Florida Administrative Register.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the Agency.

The rules do not have an adverse impact on small business and are not likely to increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of each rule because these amendments update the rules to implement 2020-071, Laws of Florida, and improve the wording of the rules generally so that its application is unambiguous and consistent, lest the Agency be found to be operating under an unadopted rule. Given the statutory requirements, the Agency determined each rule does not have an adverse impact on economic growth, private sector job creation or employment, private sector investment, business competitiveness, productivity, or innovation, nor do they increase regulatory costs, including transactional costs.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein:

A SERC Checklist and SERC were prepared by the Agency to determine the need for legislative ratification. Based on this information at the time of the analysis, summarized above, and pursuant to section 120.541, Fla. Stat., the rules will not require legislative ratification because costs will not be in excess of \$1 million in the aggregate within 5 years after the implementation of the rules.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
