

WSC ADVISORY #2017-036
HURRICANE IRMA RECOVERY INFO

ACTION REQUIRED

EFFECTIVE DATE: *IMMEDIATELY*

In wake of Hurricane Irma, APD is striving to provide as much assistance as possible in the recovery process for all our consumers, providers, and staff. Please be aware that updates are posted to the APD website regularly. These updates include, but are not limited to, press releases from the office of Governor Scott, available resources within each county, safety tips, and weather reports. Below please find a direct link to the APD website where a Recovery Toolkit is posted, providing various resources and assistance options. WSCs should review the Recovery Toolkit to assist individuals who have been impacted by Hurricane Irma.

WSCs should also check email regularly for any updates with new information and website postings.
