

WSC ADVISORY #2019-018
PROFESSIONAL DEVELOPMENT WEBINAR SERIES “CDC+ FACT VS. FICTION”

ACTION REQUIRED

EFFECTIVE DATE: APRIL 16, 2019

APD is offering a webinar for Waiver Support Coordinators (WSCs) entitled “*CDC+ Fact vs. Fiction.*”

This training will provide clarification on some of the biggest myths of the CDC+ Program. This training will provide an informational overview of the CDC+ Program. Both WSCs and CDC+ Consultants will benefit from this training.

When: Friday, April 26, 2019

Training 10AM-11AM and Test Availability from 11:05PM-5:00PM

In-service Credit: 1.5 hour

The Webinar will open at 9:50AM to allow for time to configure your computers and test your settings.

Registration

[CLICK HERE](#) to register for the training

Once the host approves your registration, you will receive a confirmation email with instructions for joining the session. Please plan to register in advance of the training. From 9:00am on April 17th through 9:00am on April 26th, the CDC+ Fact vs. Fiction Pre-Test will be available, via an email link. This Pre-Test is to assess your own knowledge of the CDC+ program and will not affect your ability to earn a continuing education credit for attending the training.

Note: You only need to register once, the call in information will be sent automatically once your Pre-Test is completed.

In-Service Credit

The assessment link will be automatically emailed to the participant from Webex and will be open until 5:00PM. To receive in-service credits, each WSC participant must individually complete the assessment to receive their Test Result Transcript. A Test Result Transcript will automatically send to your email address and will show the score and serves as your certificate of completion.

The scoring rubric is as follows:

- 4-8 total score – 1.5 CEU awarded
- 0-3 total score – 0 CEU awarded

Additional Information

Webex emails will generally be sorted to your junk mailbox. Please allow all emails from messenger@webex.com to sort to your general inbox so you do not miss any emails such as session reminders or test results.
