

WSC ADVISORY #2022-009
ANNUAL PLAN CONTINUATION UPDATES
INFORMATIONAL

EFFECTIVE DATE: APRIL 1, 2022

The Agency for Persons with Disabilities (APD) is updating the APD iConnect system so that approved services on Plans for the current Fiscal Year (FY) 2021-2022 will continue into FY 2022-2023.

APD is automating the continuation of Plans into Fiscal Year 2022-2023, as much as possible, to reduce the workload of WSCs, CDC+ Consultants, and APD staff. **APD anticipates that the Plans and Budget tabs within APD iConnect will be unavailable from April 8, 2022, through April 13, 2022.** However, other functionality within APD iConnect used by WSCs and CDC+ Consultants will remain available.

APD will copy Plans for iBudget Florida waiver clients that are in *Approved*, *Pending*, or *No Review Required* status where one or more planned services have an end date of June 30, 2022. Plans in *Draft* status will not be copied. Plans for CDC+ clients in *Approved* or *No Review Required* statuses only will be copied.

If the WSC or CDC+ Consultant must address an immediate client emergency while the APD iConnect Plans tab is unavailable, please contact the APD Regional office for assistance.
