INFORMATIONAL

EFFECTIVE DATE: SEPTEMBER 27, 2021

The updated *iBudget Waiver Coverage and Limitations Handbook* was effective September 6, 2021. These updates reflect changes that occurred as a result of implementation of the Laws of Florida, Chapter 2020-71 that were effective July 1, 2021, regarding Qualified Organizations (QOs) and Waiver Support Coordination (WSC) services.

The Agency for Persons with Disabilities (APD) developed two informational videos to inform QOs, WSCs, and Consumer Directed Care Plus (CDC+) Consultants about the updates. QOs, WSCs, and CDC+ Consultants can watch these videos at the link below. The videos are self-paced and will take approximately 50 minutes to view in their entirety.
