## Recording an EVV Service Delivery (Mobile Site)

After you have viewed the "How to Use the APD iConnect EVV Mobile Site and Deliver a Service" recorded webinar, follow these steps to create a service delivery.

- 1. Make sure your device (laptop, tablet, mobile phone, etc.) has internet access (i.e. cellular data or Wi-Fi).
- 2. Make sure location services / GPS is enabled on your device
- 3. Using your device browser (Chrome, Foxfire, Safari), login in to the APD iConnect Training EVV mobile site. You can copy and paste to your browser.

https://ltssbhtr1.mediware.com/flapd-training-evv/ui/

Your username is: EVV\_Worker

10/7/2020 UPDATE: Due to high volume use of the training EVV mobile site, additional usernames have been added. If you are unable to login in with EVV\_Worker, please try a different username:

EVV\_Worker, EVV\_Worker1, EVV\_Worker2, EVV\_Worker3, and so on through EVV\_Worker30

For all usernames the password is: Password1

If a Username does not work for you, please use another username and try again. This is due to high volume use of the same username. We apologize for any inconvenience.

4. Navigate to and click Sync Data in the menu bar.

- 5. Then navigate to Consumers and select "All Consumers."
- 6. Select a consumer.
- 7. Click Create New Delivery to display the service delivery screen
