APD ANNUAL GROUP HOME CLIENT MEDICAL REVIEW INITIATIVE
PROFESSIONAL DEVELOPMENT WEBINAR

OPTIONAL ACTION

EFFECTIVE DATE: OPTIONAL

The Agency for Persons with Disabilities is excited to offer a new Professional Development Webinar on APD Annual Group Home Client Medical Review Initiative for Waiver Support Coordinators (WSCs) and Consumer Directed Care Plus (CDC+) Consultants! Please mark your calendar for this upcoming training.

Topics: ***APD Annual Group Home Client Medical Review Initiative***

When: May 23, 2024

Training 11:00 a.m.-12:00 p.m.

In-service Credit: 1 hour

Presenter: Acentra

You are invited to attend the FL APD Group Home Medical Review Training for providers. Beginning April 17, 2024, Acentra Health launched the APD licensed Group Home Medical Review program. This program will provide annual medical reviews to each APD client residing in APD licensed group homes. The reviews will ensure timely health care to support the well-being and safety of APD group home residents. Medical Reviews will be completed onsite by registered nurses and will include an observation of each resident, review of the home environment, and review of all relevant medical records.
